Notes for Beneficiaries

This policy is a contract between the **Master Policyholder** and the insurer. As the **beneficiary** of this insurance, this document outlines how **you** can make a claim. Hiscox is in charge of handling and processing claims.

Notification

You must see a suitably qualified medical practitioner as soon as possible after suffering injury and follow any given medical advice.

In the event of a **death**, prompt notification to the insurer of the death of an insured person must occur.

You must submit the injury report (provided by the centre) in addition to the insurer's claim form (This can be found on Lime Street's website) and relevant medical reports that document the injury to the insurer.

If you need to make a claim, you should contact our claims team at VanAmeyde UK Limited on **0208 315 0732**, or by e-mail to **adjusters@vanameyde.com**.

You will need to provide your full name and contact details, the name of your business, your address and postcode, the policy number and circumstances of the claim.

If anything happens that might be covered under the policy, you must comply with the obligations set out in General claims conditions, together with the obligations set out under Your obligations in the policy wording. It is important that you read the policy for details of its terms in full.

The insurer might require further information from you or the climbing centre in order to validate your claim. They will speak to you directly for any information you will need to provide.

Settlement of the Claim

Hiscox aims to settle claims within 15 days of receiving complete documentation. If **you** do not comply with the insurer requires you to do under this claims procedure, the insurer may not pay your claim. Claim payments will be made directly to **you** or your next of kin in the event of death.
